Old Business

1. PA Cleanways – on April 24th Fred, Joe & Al cleaned Wash Run as part of PA Cleanways and Bob & Nancy Breakiron cleaned Neal's Run.
2. Trail Cleaning – most trails are in good shape
3. Hunter Expo - 5 members participated in the event which ran from 10 – 4:30. It was a nice event but attendance was lower than expected, possibly needs better advertising. Received letter from Mike Reese

New Business

1. Port-a-Johns - were cleaned on 5/5/10 and arrangements were made to have them cleaned prior to each open house.
2. New Trail - A new trail (#1 extension) was cut to avoid traffic past Nick's trailer. The trail will take you to the top of the hill and down thru the previously restricted area and connect to trail # 1.
3. Yamaha - Received notice that we were awarded a Yamaha Grant for 2010.
4. Parking Lot - Al & Joe met with Jerald to discuss improvements to the roads in the parking lot. Minor grading will be done and the roads will be covered with gravel. Probably will not be done by the open house.
5. Weed whackers - A suggestion was made to buy two new weed whackers since they worked so well in cleaning trails.
6. Sprayer - Nelson and Mark will look into securing parts to make a trailer for the sprayer. This would simplify hooking to any quad.
7. Rodeo - at Mill Run on the 21st
8. Banner - Al will look into getting a new banner to reflect our updated grant status.
9. Mountain Ridge Trails - Some club members went to the reopening last Sunday. Nice ride. Lots of rocks. Stay off Rock'n Randy – nasty. Suggestion to look into making more club rides in June.
10. Open House workday - Meet at 10:00 on Saturday for prep for open house

50/50 Raffle - Jerry Szalankiewicz won \$16 and donated back to the club.

Adjourn 8:15 motion – Nelson, 2nd - Jerry, unanimous vote
